Academy

February 2024

VPK Newsletter

Another month has come and gone. This year is just flying by. Graduation will soon be here! Please make sure that your children are coming to school daily and on time.

Please make sure that you contact your child's teacher at least once a week. We always have papers to hand out and things to sign. This is even more important as graduation grows closer.

We have some activities coming up this month. We have Kids Heart Challenge, the 101st day of school, and Black History Presentation. Please stay posted for the information that will follow concerning these days.

Thanks in advance for all your cooperation.

Remember if you have any questions, concerns, or comments please feel free to contact us by phone here at the school or by email. You can email us at:

Your Partner in Education,

VPK Team

Kids Heart Challenge

Our school is proud to partner with the American Heart Association with Kids Heart Challenge. Over the next few weeks our students will be having fun learning about their hearts with the Heart Heroes while raising money to help fund lifesaving research. Our school goal is to raise \$2,500, and in addition to helping the American Heart Association, our school can earn free PE equipment.

Students can earn their own Heart Hero Characters this year by using the new mobile app (download the Kids Heart Challenge app) or visit heart.org/kidsheartchallenge to sign up and raise money online! Just for signing up to save lives, your students will earn a wristband! Plus, the mobile app brings the Heart Hero Keychains and wristband your student earns to life!

All donations are due on 2/8/2024 and our event day is 2/8/2024.

Thank you for helping a great cause!

VPK @ WORK

Upcoming Theme

Week of 2/5: Transportation Water & Land
Week of 2/12: Dental Awareness
Week of 2/19: Black History
Week of 2/26: Dr. Seuss Week

Parent Corner

Please encourage your child to review the sight words and spelling words nightly. Have them say it, spell it, and then say it again. This repetition will help them have a better transition to school and help during review time. You can make it fun, play sight word bingo, sight word match, or even sight word go fish. Learning can be fun, let's make this as positive as possible for your children.

Donations

We are always looking for items for the classroom to fill our theme boxes, prize boxes and library. (ex: Theme related items, books, items that start with the letters we have gone over, items that are the colors we have reviewed.) So, if you are going through items at home please think of us before you throw them away or donate them. Thanks again for all you do!

Upcoming Events
