Lucky to See March

March is here already! The children spent last month learning about Black History, Presidents' Day, and different modes of transportation. Now that we are in the month of March, we have even more adventures for the children. March will be all about animals, St. Patrick's Day, and Dr. Seuss. The VCA team has created an abundance of hands-on, engaging activities for the children to take part in. We as a team are super excited about what all March brings in. Happy March!

As always, if you ever have any question or concerns, please feel free to contact your child's teacher through our Procure Connect app. Teachers do have the ability to instantly see your message and will respond to you in a timely manner.

## NATIONAL NUTRITION MONTH

National Nutrition Month® is an annual campaign created 50 years ago in 1973 by the Academy of Nutrition and Dietetics. During the month of March, everyone is invited to learn about making informed food choices and developing healthful eating and physical activity habits.

For more information about ways to fuel your family's future with good nutritional habits, please visit <https://www.eatright.org/national-nutrition-month-2024>.
