Thankfulness

Upcoming Events

November 11th VCA CLOSED

November 18th Mickey Mouse's
Birthday

November 27th & 28th VCA
CLOSED

VPK News:

In October one of our themes was Buildings. We read the Fairy House By: Tracy Kane. After reading the book we collected natural materials to build our very own fairy house. Tracy Kane is writing a series of books, take time to check out these books.

We also talked about boats and bridges. The children made a boat out of play dough as well as aluminum foil. Ask them if their boat was able to float or if it sank to the bottom. Some children put pennies in their boat to see how many it would hold until it sank. One boat held 69 pennies.

The children got to explore pumpkins. They got to pull out the pulp from the pumpkin and count the seeds. We guessed which pumpkin that they thought would have more seeds. There was a small, medium, and large pumpkin. We also roasted the pumpkin seeds. Ask your child if they liked the pumpkin seeds that we made.

Here's to another awesome month! Please remember if you have any questions, concerns, or comments please feel free to contact us by phone here at the school or by email. You can email us at: vcastingrays@outlook.com

Mickey's Birthday Celebration

On November 18th, the VPK classes will have a birthday party for Mickey Mouse. We encourage children to show their love for Mickey Mouse and wear their best most creative Mickey attire. Please be on the look out for a Sign-Up Genie to sign up to bring something in for the celebration.

Just a reminder

Please bring your child to school on time. It becomes a distraction when you bring your child in late. AM classes must arrive at 8 AM and PM classes must arrive at 12:30 PM. When your child enters the classroom, please have them put their blue homework folders in the basket in the classroom. Then they will place their lunch box and bag in their personalized cubby. Next, they will wash their hands and sign in on the sign in sheet. Then they will pick a table to play tabletops until circle time.

PARENT CORNER

We wanted to say "Thank You" to all the parents that have been donating to the class wish list. The reason that we have wish lists is to help create hands-on experiences for your children. We touch on Math, Science, and Art. If items are not donated, we are not able to do the experiments with your children. So please, please sign up to bring items in. Thank you again to the parents that always donate to the classroom. It is greatly appreciated!

Cooking News

We will have cooking/science projects once a week. This will not be possible without parental help. A class Wish List will be emailed to you through a Sign-Up Genie link. Thank you in advance for your continued support.

FOR YOU,
*and all who gave
so many yesterdays*
FOR OUR TODAY--
A heartfelt
THANK-YOU
