Fall is Here!

September has gone by so quickly and the children have all settled down in their classrooms. Last month the children learned so much about their senses. Our teacher collaborated and made a variety of hands-on activities for the children to do while learning about their senses. The month of October brings in more activities and adventures for the children. Your child will engage in several activities that will help them understand All things Fall, and Hispanic Awareness Month. We, as a team, will also expand more on the children's knowledge of Spanish and Sign Language to build upon their vocabulary. The toddler team is so excited for all the activities that will occur this month. Happy Fall!

On October 31st, all classes will be having a Fall Fun Day in their classroom. This is a time where the children and teachers will be able to celebrate all things fall. On this day, children may wear fall colors to the celebration. Please see your child's teacher to sign up for any supplies for the festivities. Happy Fall!
