SETTLING DOWN IN SEPTEMBER

Dear Parents,

We have made it through the August transition with remarkable resilience. The children have adapted to their new environment and are settling into preschool routines and activities without too much protest. They are gaining confidence, and their true personalities are beginning to shine. We thought that this month we would explain the importance of Show 'n tell. It is not just about giving the children a reason to bring toys to class; their social, emotional and language skills will grow and develop from this activity as they learn to use descriptive language, practice listening skills and share their special items with others. Please feel free to ask us to explain any activity that you are unsure of its importance, reason, or benefits. We will be more than happy to elaborate.

What are the benefits of Show-and-Tell?

- The children are given the opportunity to speak in front of others.
- Each child gets to be the center of attention.
- Children share things from home with their friends and the teacher.
- Children choose items that are meaningful, and theme related to talk about.
- Children learn to respect each other's turn to speak.
- Children practice the skill of listening to and answering simple questions.
- Children practice the skill of asking simple questions.

THE IMPORTANCE OF READING

Reading is such an essential part of a child's learning. Reading for just 20 minutes a day can help improve your child's vocabulary and listening skills as well as sets the foundation of what a reader looks like. Not only is your child learning as you read, but it also is a chance to spend quality time with your child. Below is a link to a YouTube video called, "The importance of reading aloud: Tips for reading to children", which shares how important reading to your child is in 60 seconds. I hope that you find this video clip informative.

Teacher Communication

If there is ever anything you would like to discuss with your child's teacher, please feel free to contact them at your convenience through the Procure app.

Just a reminder

- We are a PEANUT-FREE school.
- Label ALL your child's belongings. This includes but is not limited to diapers, bottles, cups, clothing, sheets, etc.
- Please bring some family photos including pets to hang in the classroom. This gives the children a home/school connection and they love to show you off to their classroom friends.
