Academy

April 2021

VPK Newsletter

Happy April! Last month we talked about Dr. Seuss and it was a huge success. The children created their own cat in the hat hats, made green eggs and ham, and counted the eggs and learned that 12 are a dozen.

We also talked about Dinosaurs; we made fossils, created a dinosaur book, and searched for dinosaur bones in the sand table. What a great Month we had.

This month, we will be talking about under the sea. The children will have a pretend day at the beach. They will have so much fun taking all their beach stuff outside. We will practice learning what we take to the beach; sunscreen, hats, towels, water, food, buckets, shovels and much more. Here's to another awesome month!

Remember if you have any questions, concerns, or comments please feel free to contact us by phone here at the school or by email. You can email us at:

Covid-19 Precautions

Due to the Covid-19 Pandemic that our country is facing, we have adapted in procedures to slow the spread of the corona virus.

- Curbside Pickup and Dropoff
- Temperature Check Stations
- Masks must be worn by parents
- Masks worn by all staff members
- Intensified cleaning procedures
- Set playground time to allow for adequate cleaning
- Social distancing
- Protective Counter Screen Guard

In order to keep VCA safely opened; we need the full support and cooperation of all our families to effectively limit the potential transmission of the COVID-19 virus among our staff, students, and the local community.

Upcoming Theme

Week of 3/29: Art

Week of 4/5: Pets

Week of 4/12: Week of the Young Child

Week of 4/19: Under the Sea

Week of 4/26: Under the Sea/ Graduation Practice

Star Readers

We are overly excited to say that we have quite a few Star Readers on the wall. We even have Super Star Readers, which means that they have finished the set of Blue reading books as well. Check out the Star Readers wall in the hallway on the way into school.

All the children are trying their hardest to get to the red reading books. You can help your child succeed in this by reviewing sight words, working on letter sounds, and putting the sounds together, and reading to your child every night. Thanks for all your support!

Donations

We are always looking for items for the classroom to fill our theme boxes, prize boxes and library. (ex: Theme related items, books, items that start with the letters we have gone over, items that are the colors we have reviewed.) So, if you are going through items at home please think of us before you throw them away or donate them. We are also in need of items for the science centers- shells, rocks, binoculars, old cameras, toy snakes, and toy frogs. Thanks again for all you do!

PARENT'S CORNER

Don't forget about VCA for summer camp. Your child will have an awesome time. They will also have kindergarten boot camp, a review of the year so that they will not get caught in the summer slide. Don't let your child forget all the wonderful things they have learned this year at VCA!!! Sign them up today.

Upcoming Events
